

MDCP quarterly report Part B: 2009 NEMA

Reporting measures relevant only for your 2009 MDCP award. In your application you estimated the following with regard to ITA performance measures: (5)20 new-to-market (NTM) SMEs, (6) "continued robust growth in U.S. exports". This goal is not specific enough with regard to export transactions. You must set an export goal. Once you do, report your performance on this goal in Part A, fields 5 and 6. *** Report below the results for the measures specific to your project for which there are no reporting fields in Part A. Do not cumulate the results from previous quarters. Report only the results from the quarter identified below.
