

U*S* COOPERATIVE FOR INTERNATIONAL PATIENT PROGRAMS

WHO WE ARE The US Cooperative for International Patient Programs (USCIPP) is a partnership of the International Trade Administration of the US Department of Commerce, UHC, and Rush University. Created in 2010, the partnership aims to increase the global competitiveness of US health care providers through analysis of market trends and opportunities, education and exchange of best practices, and building strategic relationships with government and private payers.

MEMBERSHIP BENEFITS

- ★ Coordinated work with the US State Department and the US Department of Commerce to facilitate international patient access to US providers
- ★ Timely, insightful market intelligence reports featuring targeted geographic regions for business development opportunities
- ★ Annual international patient program survey and benchmarking data
- ★ Member organization contact information listed on USCIPP Web site, including certifications, for increased exposure to international markets
- ★ Representation at trade shows abroad as part of USCIPP joint promotion program
- ★ Free access to educational seminars
- ★ Free registration for USCIPP annual meeting
- ★ Participation in a UHC listserver and member-only access Web site for exchange of best practices, networking, and collaboration
- ★ Priority access to research findings from Rush University's Center for the Advancement of Healthcare Value and the National Center for Healthcare Leadership

MEMBER DUES 2012

\$2,500/year per qualified participating organization
